

Navilight 360° 2NM

001	Navilight 360° 2NM	7090017580032
-----	--------------------	---------------

Navilight 360° 2NM is a unique award winning design that combines water proof, 360 degree visibility super bright navigation light and intense emergency blink. It is fitted with a double magnetic system, integrated into a compact shape that fits easily in your pocket. The double magnetic system means the light attaches everywhere, on your clothes, on your boat, inside a tent, or everywhere you need light. Navilight 360° 2NM is also very easy to use and can be operated by almost anyone of any age at any time, even with cold fingers, a child, in total darkness, can push the big "ON/OFF" button.
