

## Navilight Glow torch

251	Navilight Glow Torch	7090017580391
-----	----------------------	---------------

The Navilight Glow Torch, with its photo luminescent body, glows in the dark, is instantly found and provides an outstanding powerful 110 Lumen Cree led flashlight, a 27 Lumen dim or security flashing function – coupled with low power consumption.

The waterproofed housing allows you to use it in all weather conditions, even under water. The Nylon strap makes the Glow torch easy to carry and prevents it from falling if it slips out of your hand.
